

Lima, March 5th 2018

Dear Parents,

We would like to start by thanking you for your cooperation during the registration process, via the Internet and during the interview with your child's homeroom teacher on February 21st. and 22nd. Thanks to this, the new school year kicked off with great enthusiasm and fun activities the first week of March. As always, we have many interesting plans for the different grades and areas this year. You will soon learn more about them in the corresponding **Parents' Meetings**. They start at **7:30 p.m. (exact hour)** and we are counting on your punctual attendance (10th and 11th in Trener 2).

Below are the main activities to be held in the month of March:

5 th	Special schedule will continue until March 9 th for PK and K Special schedule will continue until March 6 th for 1 st and 2 nd grades Short schedule will continue until March 7 th for 3 rd to 11 th grades 11 th grade visits the Museum of Anthropology, Archeology and History 7 th and 8 th Integration Activity in <i>Pachacamac</i> Parents' Meeting for 1 st and 4 th grades

27 th	1 st grade Integration Activities BEO group trip to London until April 11 th
29 - 1 st	Holy Week

We will be sending additional details on these and other activities. At this moment, we are beginning our visits to the library and various campaigns as recycling, books care and nutrition. We are also calling on Trener 2 students to take part in our media workshop, UN-modelled debate team and other special activities. Meanwhile the BEO (British English Olympics) team is in their final preparation stages. In addition, this month, the tenth graders will begin working on their extended essays and the ninth graders will begin to work on their argumentative essay. Ninth graders will also have special activities with PK & K kids. Likewise, 9th graders together with students from 6th and 7th graders will also have learning profile tests with our psychologists. Students in Trener 2 will start their volleyball tournaments.

In these first weeks, we will appreciate your cooperation so that your children start this school year as organized as possible. At home, please make sure they have a suitable schedule and place to study and make sure all their school supplies have their names on them and their books have been covered in plastic. This is a good opportunity to set agreements regarding their meals and diet, regarding the food they bring to school and what they eat for breakfast. It is also important to review the rules, including the dress code that is on the website (although it will be flexible this month because of the hot weather) and remind your children not to forget to bring their sunblock, cap and water bottle daily.

Once again, we would like to ask you for your collaboration to comply with the EXACT STATED TIME for all the activities, and avoid delays due to traffic. We would also like to remind you the entry and exit rules of our school. In case you arrive before 7:20 a.m., please keep your children in the car and wait with them there. Remember, you need to bring your school ID to enter the school to pick up your kids; we appreciate your cooperation with the people in charge of the security at the door. Likewise, we would like to remind you that we, as adults, are expected to be model of kindness and mutual respect within the entire school community at all times.

Finally, we encourage you to stay informed by visiting our web site www.trener.edu.pe, where you will find the latest news, activities to be held and all our notices and newsletters, as well as to consult in the Intranet for student absences, tardiness, homework and missed assignments. Above all, we invite you to regularly check the tests and tasks that your child brings home and to maintain open communication with teachers, especially with the tutors.

Regards,

Mercedes G. de Valenzuela
Principal
